Hi Diana,

Per our crew, the hole has been covered but they said it appears to be a drainage hole...not DWP...

Jay,

Jesse went by and the hole has been covered. He said it looked like a drainage hole.

Richard/Ron,

Can you have your pump or gas crew look into this and let us know what they find.

Thanks

Hi Anika and Diana,

Can you help me find the appropriate contact at LADWP for alley work? We have a manhole in the alley next to our office that was left uncovered after they opened it a few weeks ago for some work. Who at LADWP would handle work orders like this?

Noah
